

MULLER is the first globally acting industry and technology leader in tool making and automation technology for thin-wall plastic packaging. We are currently looking for highly trained people to join our dynamic team.

We are searching for our site in Fort Collins, CO, USA:

Field Service Engineer

We are looking for a qualified candidate to join our amazing team at Muller Technology as a Field Service Engineer. This position will be responsible for the supervision and installation of automated robotic systems, retrofits, and customer relations. The ideal candidate will coordinate installation activities including training and scheduling with VP of Customer Support. Will also be responsible for routinely visiting customer sites to improve customer relations, monitor company's system operation, and gather information.

Responsibilities:

- Install all systems that are delivered to customer site. This may be done individually or as a member of a team.
- Perform warranty and non-warranty work as assigned.
- Training of customer's plant personnel
- Visit customer base on a regular routine to improve customer relations.
- Report daily field activities performed at customer site.
- Completion of all paperwork including, but not limited to, travel expenses, service work orders and trip reports
- Other duties as assigned in support of the Service Department
- Work in Final Test and R&D Departments when in house.

Requirements:

- Excellent training and communication skills
- Ability to interpret Electrical and Mechanical Schematics
- Excellent troubleshooting skills with electrical and mechanical systems
- Experience working with HMIs and PLCs at a user level is beneficial
- Excellent computer skills

- Excellent time management
- Good quality awareness
- Good driving record
- Ability to travel throughout North America and Mexico

Experience:

- 2-4 years previous experience in a Service environment preferred

Working Conditions:

- Will spend 70-80% traveling and working at customer sites
- Will work 20 - 30% of time in Fort Collins
- Please consider if this type of work will fit with your lifestyle.

What can we offer you?

- Competitive compensation
- Generous time off to balance work/life
- Comprehensive benefits package
- Potential to travel to Switzerland
- Continuing education opportunities
- Location in Fort Collins, CO offers an abundance of activities and entertainment
- A team culture willing to improve processes, work toward a common goal and support one another
